

Could me and Jett take some
pics before welcome party
somewhere with pretty
backdrop?

After we capture first look
reaction could pictures be
taken from further away so me
and jett have a second the
breathe and relax together?

Maybe after
ceremony and before
we go to reception
casa carino or casa
cc would be good for
some pics like these?

Make sure to get
photos of my dad
with his friends
and my mom with
her friends at
reception!

Can Marco and a
couple
bridesmaids come
with me when I
change into
second look to get
pics like these?
